## Two Choruses of Houston Bright Under Contract

ROBERT HOUSTON BRIGHT

Two original a cappella choruses composed by Houston Bright, Assistant Professor of Music and Director of the Choral Division at West Texas State College, have been accepted for publication by Associated Music Publishers, Inc., New York, and will be placed in their choral catalog this year. Contracts were signed by the composer only last month.

One of these choruses is entitled "Evening Song of the Weary," and consists of an SATB setting of a poem by Felicia Dorothea Hemans, an early 19th century English poetess. The other composition, "Weep No More, Sad Fountains," is also a mixed chorus setting of an Elizabethan lyric which was a favorite with many madrigal and ayre composers of the period.

The young composer received the degree of B.S. at West Texas State in 1938, and the M.A. degree in 1940. He has completed more than two years of work on the Ph.D. in Musicology at the University of Southern California. He has studied and sung under some of the finest teachers and choral conductors on the West Coast, including Dr. Charles C. Hirt, Director of the University of Southern California A Cappella Choir, Dr. George Hultgren, Conductor of the Los Angeles A Cappella Choir, and Dr. Max T. Krone, a former director of the Northwestern University A Cappella Choir, a prominent choral editor, arranger, and authority. He is a composition student of Ernest Kanitz and Halsey Stevens.

Every year the West Texas State College Choir presents a group of Prof. Bright's compositions and arrangements, and some of his instrumental works are currently being performed at local concerts, notably his "Ballo Ironico" (Ironic Dance), and his Canon for Brass Quartet. He is the author of an article on the madrigal which is to appear in a forthcoming issue of the Southwestern Musician, and is a member of the Music Library Association, the American Musicological Society, and the Texas Music Educators Association.

## Sam Hill Has Sold Feed Store to Two Men from Lubbock

Sam Hill has sold his feed store to W. W. Clements of Lubbock, possession being given on Monday. Ben Cummings, son-in-law of Mr. Clements, will be manager of the business and will move to Canyon as soon as he finds a home. Mr. Hill will devote his full time to the machinery business and his dairy.

Mr. Clements is a salesman for the Roy C. Ayres Feed Company of Slaton and has been coming to Canyon weekly. He expects to make an announcement regarding the business next week.

Mrs. Arvo Goddard of Commerce is visiting this week in the home of her parents, Mr. and Mrs. J. A. Guthrie.

## Top Prices Paid For Boys' Calves, Pigs

The quality of animals shown Saturday by the 4-H and FFA Club boys was much superior to the showings of 1948 according to best qualified stockmen in Randall county.

Thirty-five calves were shown in competition, with Doyle Bourn winning Champion with his 905 calve, and Albert Craig winning reserve champion.

Thirty pigs were entered in the show, which was topped by Jimmy Sykes, winning champion, and Jones Hales, Reserve Champion.

All of the animals were entered in the sale in the afternoon, but several of the boys reserved the right to show in Amarillo. None of the prices bid in Amarillo were topped by the Canyon Bids on Saturday.

The following were the exhibitors, weight of animals, buyers, and prices bid:

## Street Markers Will Be First City Objective

Street markers will be one of the first objectives of the Chamber of Commerce for 1949.

At the meeting of directors Thursday night, various types of markers were considered, and further investigation will take place during the coming month in order to determine the best type available.

Two sign firms are trying to sell the Chamber overhead markers which would be placed on 2 inch poles. It was pointed out that most of these markers are ruined within two or three years either by careless drivers or boys bent on pranks.

An investigation is underway to determine the cost of installing concrete markers, in which reflector numbers would be set. While this type of marker is more expensive, they are reported to be good for an undetermined number of years.

A committee to investigate street markers was named, composed of Paul Lindsey, Newton Crain, Elmer Wooten, A. B. Holt and Clyde Warwick.

## April 1st Is Deadline for 1949 Auto Plates

Sale of 1949 automobile plates is going slow at the office of Tax Collector M. E. Cantrell. Bad weather has been the cause of slow buying.

All cars must be equipped with the 1949 plate by midnight of April 1st, and owners should buy now in order to avoid the last minute rush.

## No Dinner Thursday Night Farm Bureau Meet at Cafeteria

No meal will be served Thursday night at the Farm Bureau meeting.

Some members had gained the impression that this was a dinner because it was being held at the Canyon high school cafeteria.

This room was chosen for the convenience of the members, and the fact that adequate lights could be secured for the pictures which will be shown.

Eat your supper before you go to the cafeteria Thursday night at 7:30 o'clock for the Farm Bureau meeting.

## Lions Club Sponsoring Magic Show For Benefit of Some Local Needs

On Wednesday, March 16, the Canyon Lions Club is sponsoring the Birch Magic Shows at two performances. This is the second time the club has sponsored this show.

The proceeds from the show will be used to further community projects such as the club has sponsored or assisted in the past. These projects are varied in scope and touch many phases of community life.

During the past two years the club has aided many worthy enterprises. Among them are the following: (1) Purchased and presented to the Canyon Public School and to the Demonstration School one telebinocular machine for each school. These machines are for examining the eyes of school children and have already been of much benefit. They were purchased at a cost of $100 each. (2) Purchased $700 worth of playground equipment for the Canyon Public School and the Demonstration School; (3) Collected $450 for the Freedom Train; (4) Gave $50 for tornado relief; (5) Gave $1000 toward Boy Scout Camp at six-mile crossing and $50 toward the building for Girl Scouts; (6) Sponsored a play to help raise funds for the Canyon School Band uniforms. (7) Sponsored first Fat Stock Show.

Many other community projects have been initiated and supported by the Lions Club since its organization in 1940.

All proceeds from the Birch Magic Shows will be used in furthering some of the above projects and in sponsoring new ones.

At the present time the club, under the leadership of A. L. Walsh, president, has a membership of 43 business and professional men of Canyon. They earnestly solicit your support of the various community enterprises which they promote.

## Mrs. Nell Swingler Seriously Injured In Car Accident

Mrs. Nell Swingler was seriously injured on Friday in a car accident at Bellfield, Ill. On Tuesday evening she was still unconscious in the St. Elizabeth Hospital where she was taken following the accident.

Susan, Mrs. Swingler's daughter, who was in the car with her mother escaped with minor injuries.

The accident occurred at an intersection. According to reports received here, another car ran into Mrs. Swingler's car, completely demolishing it.

Mrs. Swingler was the nurse in charge of West Texas Health Center until the beginning of the spring term. She had resigned and gone to the home of her parents for a much needed rest.

Mr. and Mrs. Bud Dolcater of Amarillo spent Sunday in the parental Fred Marshall home.

## M. B. Shepherd Is In Charge Hardware Implement Asso.

M. B. SHEPHERD

M. B. Shepherd took charge of the secretary's office of the Tri-State Hardware and Implement Association on March 1. Mr. Shepherd has resigned as director of band of the Panhandle high school to devote his full time to the work.

Mr. Shepherd will continue living in Canyon and will have an office on the second floor of the Thompson Hardware Co.

Mrs. C. L. Thompson has been secretary for four years, and Mr. Thompson served in this capacity for more than 25 years.

Charles Bell, a senior in West Texas State, succeeds Shepherd at Panhandle.

## Town Hall May Be Held Soon By Local Group

A number of citizens of Canyon have requested the Chamber of Commerce to hold a Town Hall meeting. Officers of the Chamber are willing to try this out—provided there is a demand for such a meeting. Probably the only way to find this out is to set a date, and try out the plan.

The directors in meeting Thursday night appointed the following committee to work out plans for the first meeting, select a meeting place and date, and see what response there is from the citizens. The committee is composed of Dr. Ples Harper, Dr. Charles Martin, Dr. S. H. Condron, Herschel Coffee, Dr. W. J. Wooten, Jr., Clark Jarnagin, James E. Miller.

This committee is instructed to look over the field of subjects, dates available, and meeting place to determine such a plan.

Town Hall has been successfully conducted quarterly in several larger towns of Texas, but has not been tried in a town this size. Canyon has plenty of talent to put this plan over.

**MARRIAGE LICENSES**

S. C. Manasco to Billie Marie Manasco, February 21.

Edwin Wayne Conner to Joan Beverly Byars, February 22.

B. B. Ford to Mrs. Effie Mae Luten, February 26.

Mr. and Mrs. C. W. Fewell and family of Hale Center, Mr. and Mrs. C. B. Fewell of Vega and Mr. and Mrs. Earl Davis and children were dinner guests in the home of Mrs. Mary Burtz Sunday.

## Nearly Half Million Grain Loans Made

Over Seventeen and one-half million pounds of grain sorghum of the 1948 crop in Randall County was finally placed under price support loans or purchase agreements by the end of the program year February 28.

The total cash value of the amount under price support protection is $430,825.00 according to W. H. Upchurch, Administrative officer, for the Randall County Conservation Association.

It is estimated that about one-third of the crop went into the support program. This would indicate a total of about $1,250,000. This may be compared to the 1948 wheat crop of about 600,000 bushels for the county.

There is still some grain sorghum not threshed owing to the continued bad weather.

The price support programs are administered at the county level in connection with the conservation program through the county committee set up.

Loan rate on the 1949 wheat crop has not yet been announced. It is expected to be somewhat lower than the 1948 rate.

## Hart Citizens Buy Allen Property

The four houses of the L. G. Allen family have been sold to V. E. Bearden and D. N. Gamblin of Hart.

President and Mrs. James P. Cornette live in the brick home, and have a lease until September 1st.

Both of the purchasers are carpenters and they expect to move the three frame houses and remodel them.

According to word from California, Mr. Allen has gained weight and is enjoying good health.

## Visitors Are Greatly Impressed with Both Museum and Palo Duro Park And Pledge Aid Toward Projects

A group of 19 legislators, accompanied by the sons of two of the Senators, were guests here Friday for the purpose of inspecting the Museum building and the Palo Duro State Park.

Rain was pouring down when the plane left Austin at 9 o'clock, an hour later than planned. But Senator Grady Hazlewood said that it would be then or never, since the legislature will go on a full schedule starting this week in an effort to wind up the session in 120 days.

Members of the Palo Duro Park Advisory Board and a few interested citizens met the legislators at the airport. A chartered bus brought the group to Canyon, arriving at 1 o'clock.

The group was conducted through the Museum with the view of showing them the greatest need in the way of completion of the second unit, and furnishing cases for the thousands of valuable pictures, works of art and historic documents.

The group was then taken to the college cafeteria where a steak dinner was served. Gene Klein, president of the Amarillo Chamber of Commerce, introduced the group and told them about the needs of Palo Duro Park.

The group was then taken to the Park. Due to continued rains, it was at first thought it best not to go to floor of the canyon, but three special cars were provided which could make the trip down the slippery roads and 15 members of the group made the trip to the first crossing.

A veteran member of the House, who has studied parks in Texas and was well aware of the needs of recreation places, announced before going to the park that unless" there was something more to the Palo Duro than a few dry cactus plants" that he would be against it.

After viewing the beauties of the Palo Duro ,he said that he was firmly convinced of the worth of the park and would use his influence to put through the $300,000 appropriation to pay off the debt.

The group was taken back to Amarillo in the bus where the members boarded the chartered plane which left for Austin at 7 o'clock.

The trip was sponsored and paid for by the Amarillo and Canyon Chambers of Commerce.

Those who visited with the legislators during their stay here were convinced that much good had been accomplished, and are confident that the members will be in favor of making adequate appropriations for both the Museum and the Park.

Members of the legislative party were:

Rep. James K. Presnal, Bryan; Sen. William T. Moore, Bryan; Rep. James L. Norton, Nacogdoches; Rep. Blake Timmons, Amarillo; Sen. Kyle Vick, Waco; Rep. Grainger McIlhany, Wheeler; Rep. W. R. Chambers of Brownwood; Rep. Bill Craig, Miami; Rep. John Morrison, Quanah; Sen. Warren McDonald, Tyler and son, Mike; Rep. Vernon McDaniel, Wichita Falls; Sen. Gus Strauss, Halletsville; Collis Strauss, his son; Rep. Jim Lindsey, Texarkana; Rep. Andrew Rogers, Childress, and Rep. Ed Hughes, Jasper.

## Snow, Sleet and Rain Fell Here Over the Weekend

Moisture of a half inch was recorded in Canyon over the weekend.

Rain Thursday night measured .35 of an inch.

Mist falling during Friday amounted to .08 of an inch Saturday morning.

Snow and sleet, with a light sprinkle Monday, brought another .07 of an inch of moisture.

This moisture brought the total for February up to .75 of an inch; and a total of 4.64 inches for 1949.

## 'Snake Pit' Will Be Shown at Varsity Saturday, Sunday

"The Snake Pit" from the best-selling novel by Mary Jane Ward comes to the Varsity Theatre Saturday and Sunday, March 5-6 and for a possible hold over on Monday, March 7th.

Due to the unusual story, W. J. Wooten wishes to urge the parents not to send their children to see this picture. A suitable picture for children has been booked at the Olympic during the engagement of "The Snake Pit."

Olivia de Havilland, an actress of distinction, gives the performance of her life and is due to win the Academy Award for the best actress of the year for her acting in this picture. "The Snake Pit" will be one of the most talked-about films of the year and a picture you will never forget. The Varsity Theatre is proud to be one of the first to show this picture.

## Stork Specials

A daughter was born to Mr .and Mrs. L. S. Blasdel on Wednesday, February 23.

Mr. and Mrs. Wayne Smith are the parents of a son, born on Tuesday, March 1.

A 7½ pound son, Earl Russell, was born to Mr. and Mrs. Russell Jones in Childress on February 22. Mrs. Jones will be remembered as Ava Joe Moreman.

**ATTENDED STPLE SHOW**

Attending the Style Show and luncheon at the Herring Hotel Tuesday were Mrs. J. M. White, Mrs. Murphy White, Mrs. L. L. Byars, Mrs. C. O. Elkins, Mrs. Walter Graham, Mrs. Frank Kimbrough, Mrs. Ross Craig, Miss Betty Ross Craig, and Mrs. W. A. Warren.

Rev. and Mrs. A. B. Haynes were in McLean Sunday where Rev. Haynes preached to the morning and evening services at the Presbyterian Church.

## Secret Group To Screen Solicitors Working in City

Have you been gyped by advertising schemes?

Would you like to get rid of these solicitors who work Canyon at regular intervals?

Are you tired of paying ten prices for some gadget which is worth not a cent?

If so, your Chamber of Commerce wants to help.

A secret advertising committee has been appointed to look over all such schemes.

The plan is simple but will not work unless each and every business and professional man and woman in Canyon will cooperate. Here it is:

When one of these solicitors hits Canyon, ask for credentials from the Chamber of Commerce. Tell them to go to see A. B. Holt, executive secretary.

He must first write out his proposition.

He must state what he is charging for his scheme.

He must say how many copies he will have printed of his booklet, or fans, or song book, or program, or what have you, and what he intends doing with it.

He must put this in writing, and submit it to the secret committee who will look over his proposition. If it sounds okay, the solicitor may be called in for a personal interview, if the committee wishes this.

This is a sound plan—but it is not worth anything unless the business people are willing to cooperate.

What about magazine peddlers? Your committee is trying to see if something cannot be done to stop this racket—because too many of these magazine schemes are nothing less than a racket.

Several reputable firms in Canyon handle magazine subscriptions, so why run the risk of falling into the hands of these grafters who take your money and give you nothing in return.

**CHURCH COUNCIL MEET**

The members of the Church Council of Women of the Churches of Canyon will meet at the Methodist Church Friday afternoon at 3:00 o'clock to observe the Bible World Day of Prayer.

There will be a meeting of the executive committee at 2:30 o'clock in the Murray Bible Class Room.

Mr. and Mrs. Milner Dallas and son visited in Hereford Sunday in the home of Mr. and Mrs. Talmadge Mrs. Byrd is her niece.

**EDITORIAL COMMENTS**

## *Sales Chatter Regarding Your Favorite Brand of Cigarette*

We wonder if you have not missed a lot of pleasure in life!

In view of the fact that we do not smoke cigarettes, we have missed all of the distinctive pleasures of a favorite brand of cigarette, which is so much superior to any other brand on the market.

To hear all of the chatter which comes over the air regarding each brand of cigarette, we are led to believe that if you smoke any other brand you are missing a whale of a lot of pleasure, and are burning up your system with stale tobacco smoke of other brands.

Where shall we draw the line?

Which brand shall we learn to like? Which brand will make us live forever, and not drive another nail in our coffin?

What in heck is all of this chatter about? Sales talk? A miserable way to sell your product when you have to resort to implied criticism of your competitor's products, don't you think?

## *If You Want A Town Hall Meeting, Call Your Chamber*

What do you think about a Town Hall meeting in Canyon? If you will attend such a meeting, call A. B. Holt, secretary of the Chamber of Commerce, and give him your views.

Canyon is a small town; there are a lot of activities going on all over the town. Those who attempt to take places of leadership are run ragged trying to keep up with affairs.

A Town Hall affair takes a large number of participants to really put it over. It takes intelligent leadership and intelligent participation. Canyon has all of this, provided the people are sufficiently interested to attend such a meeting.

Your Chamber of Commerce will sponsor such a meeting, provided the people wish it, and will attend the meetings. It's up to the citizens.

The membership committee of the Chamber of Commerce will soon make a personal solicitation of members in Canyon, working among those who have so far failed to respond to the numerous calls for memberships through the mails. You can save this committee of busy men a lot of time by signing up and mailing in your membership pledge to the Chamber of Commerce.

## *Social Security Funds Are Depleted by the Politicians*

President Truman announces that several million more people will be given social security standing under the terms of his proposed legislation.

In the meanwhile, it is charged in Washington that money paid in for social security in the past has been used for other purposes, and that this fund must depend upon direct appropriations in order to get money to pay those who have reached 65 years.

If this is true, there has been gross evasion of the law. No wonder the administration wants to increase the assessment of 1 percent against both employee and employer for the purpose of bleeding the workers and those who pay them in order to get more money for the administration to spend.

## *A Surprise For The Press*

A surprise to members of the Panhandle Press Association:

More than $300 worth of awards have been given to the association for distribution at the association's 40th Annual Convention on April 8-9.

Letters are coming in daily, and we will not be surprised to have fully $1,000 worth of prizes before that date. These awards will go to those who attend the convention—naturally.

We vividly recall that a few years ago a famous Panhandle speaker stated that if the Jews and Arabs went to war that the Jews would be whipped in a few days. Remember that battle cry of America after the sneak attack at Pearl Harbor—we would whip the Japs before breakfast some morning? Well, it seems that this famous speaker was likewise surprised at the ability of the Jews to whip the Arabs. The war in Palestine is over, in spite of the efforts of Russia to keep it going.

While it is none of our business, we think that Congressman Eugene Worley made a mistake in not naming a postmaster for Amarillo promptly instead of letting the appointment ride and getting the folks up in arms. Gene might have saved himself some embarassment by promptness. As it is now, he will appoint one of the three top men who are given examinations by Civil Service. The two dissappointed ones will promptly raise hades.

The fight for repeal of the oleo tax is getting hotter in Congress. Those opposed to repeal of the tax have put out a tough argument—28 oleomargarine manufacturers versus 2,500,000 American dairy farmers. That tells the story in a nut shell. But the oleo crowd claims 140 million consumers as their backers. When you don't have to prove anything, you can claim anything.

A lot of people were wondering on February 22 what George Washington would do if he suddenly returned from the grave. Well, we guess that the mess he had during the Revolutionary War was not much more complex than the ones which confront us in Washington.

The mystery man of the orient remains the mystery man. General MacArthur probably is telling his superiors in the War Department what is going on over there, but to the balance of the nation he is still the mystery man, almost as back as behind the iron curtain.

We hear various claims on the cost of living. The latest is that while wholesale prices sagged a little several weeks ago, they are gradually working back up to where they were in the past few months.

The trouble about getting ready for war is that by the time war comes half of the stuff on which billions have been wasted is obsolete and new stuff has to be made. But we can't take it lying down.

One of the great needs of Canyon will be met in the near future. Street markers will be erected under the direction of the Chamber of Commerce in the near future. That's good news.

Citizens who perform public service, without compensation, are entitled to the respect of their people, if they can get it.

## *Henry Wallace Is Wrong in Treatment of the Russians*

It is not hard to sympathize with the advice of Henry Wallace as he struck out at the idea of United States financing the world against the inroads of Russian influence. In that respect Henry is right. We shall end up as a bankrupt nation, financially, if we have to keep up this role of Santa Claus to the world.

On the other hand, few Americans will agree with Henry on his stand of Russia. Henry believes that we should pat Old Joe on the back and tell him what a great guy he is! Roosevelt tried that, and see what happened?

Truman was out-traded when he tried to be a good pal.

Even Eisenhower was out-smarted by the Russians who insisted on marching into Berlin "as supreme conquerors of Germany, without the aid of America."

We know perfectly well what has happened to every nation which has fallen to Russia. The citizens of those nations are not only bankrupt financially, but are likewise slaves to the Russians.

America may go broke defending ourselves, but we shall maintain our self respect and dignity as a nation, rather than bow down to Russian slave drivers.

Perhaps Henry thinks he might become the big boss under Stalin if and when Russia takes over in this nation! What a joke!

## *Commies on Trial Relying on Their Constitutional Rights*

A group of commies are supposed to be on trial in New York. They profess to love Russia, but are sure putting up a stiff fight to retain their citizenship in this despicable USA.

The best dose of medicine for them would be to send them to Russia and let them live under the flag which they serve.

For nearly three months they have stood on their constitutional rights, as American citizens, and have blocked every attempt to even select a jury for their trial.

In their beloved Russia a man is arrested at night; tried the next morning; and shot before night. They handle their criminals with dispatch in Russia—without much delay.

## *Dairymen Expose Antics of Milk Distributors on Prices*

The Randall County Dairymen expose the vaunted claim of the distributors in Amarillo on the price of milk.

When prices were raised, the dairymen were charged with having raised the price of milk one cent. As a matter of fact the producers were not given this increase by the distributors, but were charged with the increase.

Now that retail prices are lowered, the producers take a cut of one cent, thus getting less for their milk than they did before the increased price, while the distributors are making more money than they did before the increase.

It is likely, almost certain, that the distributors had this neat little scheme worked out before they became big hearted and granted the increase. Who knows?

## *Maybe Black Market Whipped*

Good golly, what a change, what a change!

A paper salesman was just in, said that he had plenty of book paper on hand, and even offered to sell us some print paper!

Yes, and a car salesman was just in soliciting business! Have we whipped that ugly black market in America? What better news could the citizens have than to hear that the black market racketeers were whipped, and the birds who have fleeced millions of Americans had lost their tail feathers!

Ever so often a customer comes in foaming at the mouth and demanding that we "burn" some person in Canyon who is in official position. When asked to write a letter and sign his name for publication, he subsides. A woman recently asked to write an unsigned column for the paper, because there were some folks with whom she wanted to get even. The easiest way to cool off when mad at some one is to write just what you think, and then lay the letter aside until you cool off. You will wonder what sort of a fool you were while writing the letter.

In Chicago the death of a professional "moocher" was celebrated at a bar by drinking beer. We reckon that when the saloon boys of Texas get their legislation for the open saloon that the passing of Texans will be appropriately recognized at the bar instead of at the church. Shuddering thought!

President Truman calls a famous newspaper columnist an ugly name for exposing some of the operations of a White House appointee. When has an American president become the sole dictator of the qualifications of those who serve our nation? After all in America public servants are supposed to serve the people and not alone the president.

Friends of Dr. L. A. Woods say that the Gilmer-Aiken crowd are more interested in having Woods fired than they are in promoting the schools of Texas. Maybe so; and maybe not so. Regardless of who is the boss in Austin, we think that the schools of Texas will still survive.

Pity the poor Congressman. Some folks need a release of rent control simply because they are not getting a fair return on their investment at present prices; while some are asking for a release of rent control in order to fleece their renters. The public is well aware of the class which is doing the loudest howling.

At the rate of two million dollars per television station, we are not apt to have a station at every small town in the Panhandle in many, many years.

Who remembers the days when men esteemed themselves complimented when you put "Esq." after their names?

Race problems are not new in the history of the world and they will not be solved by newspaper articles or pretty speeches.

The "aristocrats" of 1949 will be those who have large vegetable gardens and, maybe a flock of chickens.

Going to church is a good habit for every individual to cultivate and it is a good idea for the churches to cultivate every individual.

A prim old Quaker lady was driving a shiny new car. Suddenly, at a cross street a heavy truck, unable to stop, collided with the car, crumpling a fender, breaking a window and gouging a hole in its shiny side. Infuriated, the woman managed to control herself by remembering her Quaker upbringing. She got out and walked over to the truck driver.

"When thee gets home to thy kennel tonight," she said, "I hope thy mother bites thee!"

"Yep," said Grandpa, "newspapers are just like women."

"But Gramp," said his college grandson, "I don't get it. What do you mean?"

"Well son," said Grandpa, "it's like this. They both have forms, back numbers are not in demand, they always have the last word, they are well worth looking over, they have a good deal of influence, you can't believe all they say, there's small demand for the bold faced type, and every man should have some of his own and not borrow his neighbor's."

# *Two doctors and a nurse Form trained medical trio*

Efficiency is the word for the student health center.

Vivacious is the word for Mrs. Pearl Maloney Longbine, college nurse. A character whose personality is radiant, Mrs. Longbine received her registered nurse's certificate at Greenwood Hospital, Greenwood, South Carolina. She did post-graduate work in Cook County, Chicago, and at Duke University in Durham, North Carolina. She served three years in the Army Nurse Corp, two of which were overseas. Her vivaciousness is echoed in the bouncing spirit of her four month old baby girl, Mary Rose. Mrs. Longbine worked with the health center last summer and during the Christmas season before replacing Mrs. Nell Swingler, who resigned at mid-term.

## Now say—ahh!

Dr. C. N. Nester is giving one of the students a once-over, assisted by Mrs. Pearl Longbine, nurse, in the above picture. The student who seems to be taking it so hard is Bill Bradly, another WTexan. This is an everyday task for Dr. Nester, one of the doctors officiating at the Health Center. Mrs. Longbine took over as nurse at the Health Center at mid-term following the resignation of Mrs. Nell Swingler.

Dr. Lila Boswell, one of the official college physicians, did her premed study at Mary-Hardin Baylor and at Baylor University. She did her internship at Parkland General Hospital in Dallas and did two years general practice at Startford. This is the first work Dr. Boswell has done with college students. She says she enjoys working with the college very much and "it is one of the reasons I like Canyon so well," she says.

Dr. C. R. Nester, another college doctor, graduated from the University of Texas in 1935 and has practiced in Houston since 1938 with an exception of three years in the army. Dr. Nester and Dr. R. A. Neblett, local physician, served together as surgeons in the Pacific. Dr. Nester is a surgeon at Neblett Hospital. This is his first experience in working with a college, and "I like it," he says.

He adds, "the health center is an important department of any college. A great deal of our work is preventive rather than curative. We like for students to come early if there are symptoms rather than wait until the disease is in its advanced stages."

Others who add to the efficiency of the clinic are Duane Burrows, student employee, and receptionist Jean Morgan, also a student.

The health center is equipped to treat minor injuries, colds and sore throats. Colds head the list of ailments while there are very few injuries. In an average day, between 25 and 30 students avail themselves of these services. Students suffering from severe injuries or illnesses are hospitalized in the Neblett Hospital down town.

The clinic is officially open from 7:30 to 11:45 in the mornings and from 1:00 to 2:00 in the afternoons. Students are urged to come at clinic hours.

Doctors hours are from 7:30 to 8:30 in the morning and from 1:00 to 2:00 in the afternoon.

There is no clinic on Saturday except in case of emergency. Students are urged to report to the clinic the day of their illness if they expect to get a valid excuse for missing classes.

"We wish to thank the students for being cooperative in finishing physical examinations," says Mrs. Longbine, "but we need further cooperation. We ask that students come at regular clinic hours."

# Present Crisis Is Not the First One of History

Robert Kazmayer, who is one of the most popular and stimulating lecturers on foreign and domestic affairs, recently gave this excellent advice in one of his talks:

"War talk, mounting tensions, crises, these will return. You may as well get used to them, take them in stride, they're going to be with you for a long time. Better learn to live with them. These years demand of the intelligent citizen that he do everything in his power to strengthen moral and spiritual fibre of his nation, to sustain its economy and direct its course.

"Having done that, you may as well relax, enjoy the days of your years, make life as pleasant as possible for yourself and for those around you. Take the longer look, keep the over-all picture in mind. There's no percentage in waiting for happier days. They will not come in your lifetime or mine.

"If you keep eyes glued to headlines, ears to radio, jump at every alarm, you will not successfully plan and conduct a business: you'll join the ranks of the one-in-ten who are already mental cases."

This isn't the first world crisis and it won't be the last. The "war of nerves" is producing too many victims in the United States. The best medicine for survival lies in calmness and strength, and a determination to stand by our principles.

---

People are buying plenty of goods while looking for better quality at lower prices. Sustained volume is partly due to sharp, new tactics by merchandisers, plus new, well-conceived and energetically pushed production and distribution plans. Edison Electric Institute, representing 250 utilities, now is undertaking one of these creative drives with long-range objectives—the power industry's first national sales effort in the home kitchen equipment market since the war. It aims at persuading consumers to completely electrify their kitchens. If successful, the program will create a $35 billion retail market for appliances. Westinghouse, too, is giving the program a vote of confidence. The refrigerator division of its 42-acre Mansfield, Ohio, appliance plant is employing more workers than ever before in its 31-year history and paying 1,600 workers time-and-a-half for an extra day's work each week.

---

Natural gas companies are another bright spot. With large-diameter pipe unexpectedly available, both long-established companies and many new outfits are asking the Federal Power Commission for permits to construct new conduits from a score to a thousand miles in length, costing anywhere from $1 million to $100 million.

---

Seasonal dips, almost unheard of since before the war, will be regular occurrences in most businesses from now on. Advance planning for this phenomenon requires substantially the same precaution by wholesale, retail, manufacturing and service firms: holding back buying commitments, spreading delivery schedules, temporary cutbacks of the workforce or reduced working hours. Following the long boom, layoffs will come as a shock to employes. Bosses' most difficult job, the experts advise, will be to keep up morale and efficiency. Their best chance of succeeding will be by: presenting the facts frankly to all employes, reassuring interviews with those who are most likely to be rehired, generous severance pay when possible and leads to jobs with other, unaffected companies nearby.

# Jennings-Pullen Vows Read in Candlelight Rites

Miss Frances Jennings, daughter of Mr. and Mrs. Charles Jennings of San Marcus, became the bride of Spencer Pullen, Jr. son of Mrs. Paul Rodgers of Canyon, in an impressive candlelight ceremony at the home of Mrs. J. C. Sharp, aunt of the bridegroom, in McAllen, Texas, at 6 o'clock Saturday evening, February 26.

Rev. Hemphill, pastor of the Methodist Church read the double ring service before an improvised altar under a white arch twined with lemon leaves and flanked by branched candelabra and tall baskets of white stock tied with wide satin ribbons.

Preceding the ceremony was an organ recital played by the organist of the Methodist Church. He also accompanied Jimmie Dooley who sang "Because" and "I Love You Truly", played the traditional wedding marches and a soft accompaniment to the services.

The bride,entering on the arm of her father, who gave her in marriage, was a lovely picture in her ice blue satin afternoon dress with pink and gray accessories. She carried a white prayer book topped with a bouquet of Vanda orchids.

Following the ceremony more than 150 guests attended the reception honoring the couple.

Among the out of town guests were Mrs. Rodgers, mother of the bridegroom, and Mr. and Mrs. J. C. Dowd, grandparents of the bridegroom, from Canyon, and Miss Martha Jean Dowd, who is a graduate student at Baylor University in Waco.

# Joan Byars Becomes Bride of Edwin Wayne Conner In Impressive Home Ceremony Saturday Evening

MRS. EDWIN WAYNE CONNER

In a beautiful home wedding Saturday evening, February 26, Joan Byars, youngest daughter of Mr. and Mrs. L. L. Byars, became the bride of Edwin Wayne Conner, son of Mr. and Mrs. F. O. Conner of Floydada. Vows were spoken at an improvised altar outlined by a vine entwined arch flanked by nine branched candelabra and large baskets of white gladioli. Bows on the baskets were of wide pink and white satin ribbon. Pink and white sweetpeas and tall white tapers attractively grouped completed the decoration of the living room.

Dr. Roy L. Johnson, pastor of the First Baptist Church, read the impressive rites.

Preceding the ceremony, Miss June Wimberly, pianist, played appropriate selections.

Mrs. Murphy White and Mrs. Harold Erwin, sisters of the bride, lighted the candles. They wore identical gowns of blue moire taffeta designed along "Mary Queen of Scots" lines with fitted bodices and full skirts. Complimenting their gowns were pleated capes with high neck lines and rounded shoulders.

To introduce the ceremony Mrs. Glen Dowlen sang "At Dawning" and "Because."

Miss Bette Brown of Amarillo, wearing pink taffeta, also designed along "Mary Queen of Scots" lines, was the bride's only attendant.

Johnny Cardinal was best man.

Entering on the arm of her father, who gave her in marriage, the bride was lovely in a gown of ivory slipper satin. The gown was styled with a fitted bodice, long fitted sleeves which came to a point over her wrists and full skirt which terminated into a cathedral train. Her finger-tip veil of imported illusion cascaded from a coronet of seed pearls. The dress and veil had been worn by both her sisters for their weddings. She wore a strand of pearls belonging to her mother. Her bridal bouquet was centered with a white orchid.

Following the ceremony a reception was given. A white satin cloth covered the serving table which was centered with white and pink carnations flanked by white tapers. The tiered wedding cake was served by Mrs. Murphy White and the punch was poured by Mrs. Harold Erwin.

Miss Frances Gooch registered the guests in the bride's book.

For her going away suit the bride chose a light gray gabardine suit, straw hat trimmed with gray and pink roses, a pink blouse and gray accessories.

After the wedding trip the couple will be at home in Amarillo.

Mrs. Conner graduated from West Texas State High School and is a sophomore in West Texas State where she is a member of Gamma Phi sorority, the College Sextet, and the A Cappella choir. She is soloist for the college orchestra.

Mr. Conner graduated from Floydada High School and was a sophomore in West Texas State where he was an outstanding player on the Buffalo football squad.

---

To honor her classmate and sorority sister, Miss Betty Brown gave a dinner party on Tuesday, February 22, to honor Miss Joan Byars, bride-elect of Eddie Conner.

Pink and white sweet peas used to decorate the entertainment rooms carried out the color scheme of the honoree's choice.

Miss Byars was presented with a gardenia corsage and sterling dinner forks.

The menu consisted of chicken spaghetti, green beans, hot rolls with butter, lemon pudding, and coffee.

Those present were Pam McDonald, Nancy Bishop, Dedwina Glassmeyer, Mrs. Johnny Cardinal, the honoree and the hostess.

---

One of the season's most beautiful parties was given Friday afternoon from 3 to 5 o'clock when Miss Joan Byars, daughter of Mr. and Mrs. L. L. Byars, and bride-elect of Eddie Conner, was honored with a miscellaneous shower at the home of Mrs. L. S. Johnston.

Joint hostesses with Mrs. Johnston were Mrs. J. J. Wright, Mrs. B. A. Burrus, Mrs. C. O. Elkins, Mrs. Harold Byars, Mrs. Walter Graham, Mrs. Glen Dowlen, Mrs. H. G. Persons, and Mrs. Tom C. Gooch.

Mrs. L. S. Johnston, Mrs. L. L. Byars, mother of the bride-to-be; Miss Joan Byars, bride-elect; Mrs. F. O. Conner, mother of the bridegroom-to-be; and Mrs. James Murphy White and Mrs. Harold Erwin, sisters of the honoree; formed the receiving line to greet the guests.

Pink and white carnations flanked by tall tapers formed a centerpiece from which pink and white satin streamers lay across the beautiful silver and crystal appointed tea table. Hostesses alternated in serving coffee, cherry pudding topped with whipped cream, mints and nuts to the more than 60 guests who called during the tea hours.

Members of the house party wore corsages in pink and white.

Miss Bette Brown of Amarillo and Miss Frances Gooch presided at the bride's book to register the guests.

The beautiful gifts were on display in adjoining rooms.

# Mrs. Brooks Is Honored With Bridal Shower

On Thursday afternoon the home of Mrs. C. O. Elkins was the setting for a lovely miscellaneous shower to honor Mrs. Harlan Brooks, the former Juanita Avent.

Mrs. Elkins greeted the guests and presented them to Mrs. Brooks and her mother, Mrs. W. L. Avent, Sr.

Mrs. Lyn Scott, sister of the bride, registered the guests in the bride's book.

The satin covered tea table was centered with yellow flowers in a beautiful blue bowl flanked with pastel blue candles. Miss June Jennings and Mrs. Donnie Avent, sister-in-law of the bride, presided at the punch bowl, and served blue and yellow cakes, nuts and mints.

Hostesses with Mrs. Elkins were Mrs. L. D. Winn, Mrs. B. A. Burrus, Mrs. J. J. Wright, Miss June Jennings and Miss Mary Sue Foster.

Approximately ninty guests called during the tea hours.

### NESSELRODE HOME SCENE OF ZITA H. D. CLUB LUNCHEON

The Zita Home Demonstration Club met Tuesday, Feb. 22, in the home of Mrs. Irmal Nesselrode, 1309 Western Ave., Amarillo, for a covered dish luncheon.

Mrs. Emil Olson was in charge of the program. Roll call was answered by each member giving her favorite cake recipe.

Better cake making was studied, including hints on angel food cakes by Mrs. Arthur Olson; butter cakes and useful suggestions for all cake making by Mrs. James Jennings. Each had samples of their cakes.

Mrs. E. A. Michael demonstrated fudge icing by frosting the butter cake.

Mrs. Donald Olson presented various new party ideas.

The finance chairman, Mrs. Forrest Gruner, read the 1949 budget, which was approved by the club.

A "go as you are" party was planned.

Mrs. Gruner was elected voting delegate to the council.

After the conclusion of this program and business session, Mr. Frank Vilebil of Amarillo gave a demonstration on textile painting.

Refreshments of the sample cakes and coffee were served to Mrs. Wayland Angel, Mrs. Willie Bennett, Mrs. Stuart Condron, Jr., Mrs. Baird Delano, Mrs. H. R. Fulton, Sr., Mrs. Forrest Gruner, Mrs. Joe Hales, Mrs. Jennings, Mrs. Bailie McCormick, Mrs. Michael, Mrs. Arthur Olson, Mrs. Donald Olson, Mrs. Emil Olson, Mrs. Rose, Mrs. Ralph Ruthardt, Sallie Jennings and the hostess.

## German Woman To Live in Home Of Son at Umbarger

Mrs. Amelia Hoffman arrived Saturday by train from New York after crossing the Atlantic from Germany to live in the home of her son, Max Hoffman, at Umbarger. Mr. Hoffman has been trying for 1½ years to get his mother through the official red tape for this reunion.

Mrs. Hoffman was once reported killed by the Russians, and had lived behind the Iron Curtain during the war. This was the first time that she has seen her son since he left Germany for America in 1927.

This was the first time that Mrs. Hoffman has seen her daughter-in-law and seven grand children.

Many Germans do not believe that Hitler is dead, said Mrs. Hoffman. She said witnesses saw attendants carry the body of Eva Braun, Hitler's sweetheart, from the building where the couple reportedly committed suicide when defeat was imminent. But, she asserted, no one saw Hitler's body.

A great many Germans are of the opinion that Hitler is hiding either in Spain or Argentina.

The German people, she said, are filled with an almost hysterical fear of the Russians. Mrs. Hoffman shares their anxiety. "They will take all of Germany," she said.

### DAIRY ASS'N TO MEET

### BAKE SALE SATURDAY

Members of the Sue Hite Club will hold a bake sale at Bellah's Super Market at 10 o'clock on Saturday. Money from this sale will be donated to the Girl Scouts.

Dean Acheson, newly appointed Secretary of State: "Communism as a doctrine is economically fatal to a free society and to human rights and fundamental freedoms."

If you want an idea about the farm situation just read the figures that show national income and the proportion of it that farmers get.

## Average Man Can Advance in This Country

A Swiss journal recently published a study of how much working time the average man in various nation has to put in to earn enough to buy certain basic commodities. Russia was at one end of the scale and the United States at the other. It was found that a Soviet worker had to labor over an hour for the purchase price of 2½ pounds of bread, while the U. S. worker could earn enough in 15 minutes. That same Soviet worker required 580 hours for a suit of clothes. In this country, 28 hours was sufficient.

Many causes contribute to this amazing difference — such as skill of American workmen, our advanced technology, and an economic system which rewards initiative and enterprise. There is still another cause which many of us may overlook — and that is the contribution to our living standards and purchasing power made by American retailing.

In Russia, there is no such thing as competition among stores. The state owns or controls them all, and stocks and prices are whatever the dictators think desirable. In this country retain competition is wide open. Chains, independents, big department stores and little specialty shops — every kind and character of store is aggressively seeking consumer inducements — such as lower prices, special service, more varied and attractive displays, and so on. The result is that we get better goods ,at a lower price, than any other kind of economy can provide. The consumer's income, even in a period of inflation, pays for all the necessities and leaves him a surplus for luxuries that would be undreamed of elsewhere.

Those who think a controlled economy would benefit the masses should look at Russia, where regimintation is complete. The result has been one of the lowest living standards on earth.

A story reaches us of a fellow who fell behind on his installments on a television set .Every passing week brought a dunning letter—each more heated than the last. Finally in desperation came the coup de grace written to appeal to the man's sense of shame.

"What" said the letter, "would your neighbors think if we came and took away your television set?"

The response has so far stumped the finance experts. "I took the matter up with my neighbors," wrote the delinquent, "and they think it would be a very lousy trick."

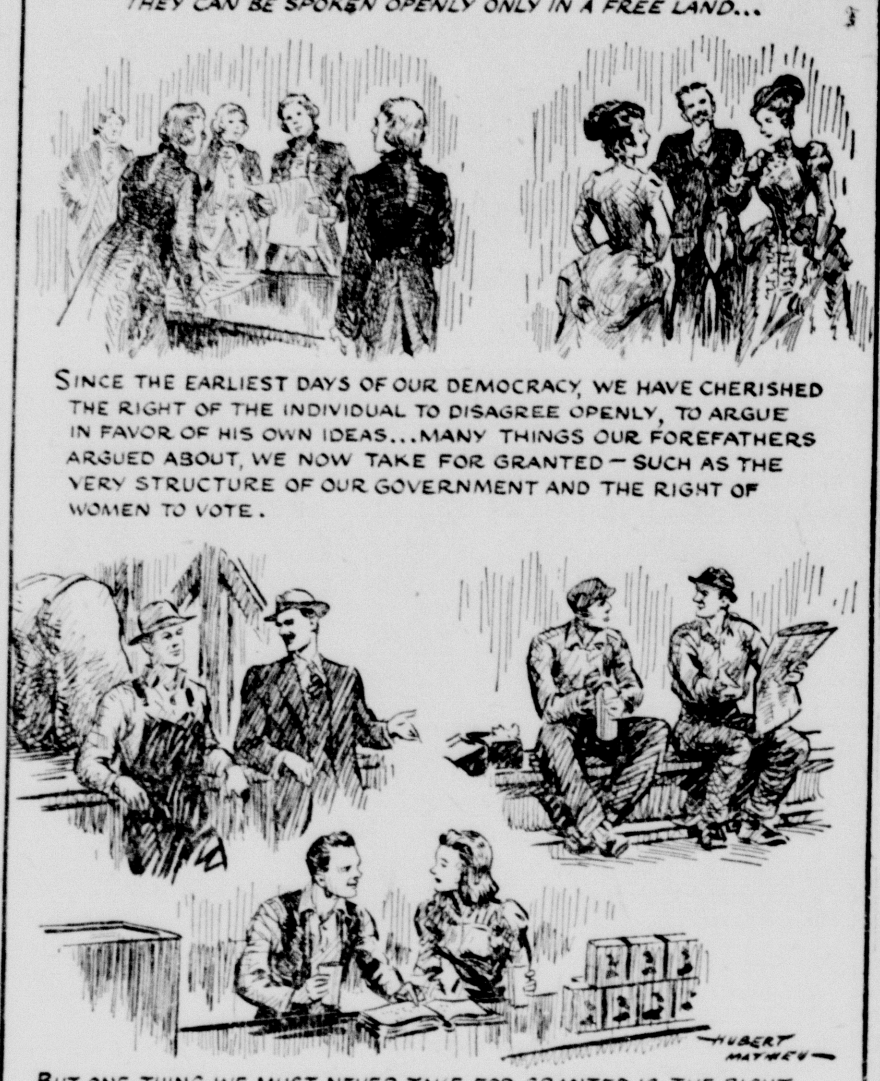
## OUR DEMOCRACY——by Mat

### "I disagree!"

—TWO OF THE MOST IMPORTANT WORDS IN AMERICAN SPEECH— THEY CAN BE SPOKEN OPENLY ONLY IN A FREE LAND...



SINCE THE EARLIEST DAYS OF OUR DEMOCRACY, WE HAVE CHERISHED THE RIGHT OF THE INDIVIDUAL TO DISAGREE OPENLY, TO ARGUE IN FAVOR OF HIS OWN IDEAS...MANY THINGS OUR FOREFATHERS ARGUED ABOUT, WE NOW TAKE FOR GRANTED — SUCH AS THE VERY STRUCTURE OF OUR GOVERNMENT AND THE RIGHT OF WOMEN TO VOTE.

HUBERT MATHEY

BUT ONE THING WE MUST NEVER TAKE FOR GRANTED IS THE RIGHT TO DISAGREE, FOR THIS IS AN ESSENTIAL SAFEGUARD OF DEMOCRACY. AS A PEOPLE, WE MAY ACCEPT THE DECISION OF THE MAJORITY, BUT AS INDIVIDUALS WE RESERVE THE RIGHT TO OUR OWN OPINION. THE RIGHT TO DISAGREE OPENLY — THE RIGHT OF THE MINORITY TO BE HEARD ~ IS A BASIC TEST OF TRUE DEMOCRACY.

## *A Little More Dog Talk*

The Canyon News

In recent months so many unkind words have been written with reference to our canine friend that we beg to submit this little "homemade homely jingle" in defense of this, the most faithful of all the animal friends of man. By one who knows, understands, and appreciates a dog.

### OUR FAITHFUL FRIEND

The best friends we have had in this world,
The ones who have been true, and friends in deed,
May turn against us and become our enemies,
In our time of greatest need.

When the storm clouds of life have gathered 'round us,
The son or daughter we have reared with loving care,,
May prove ungrateful to their trust
And leave us in despair.

Those whom we have trusted with our happiness and good name,
When life with us was one sweet song,
May become traitors to their faith
When this world with us is going wrong.

The money we have acquired in life,
Of which we are oft times proud to boast,
May slip away to its hiding place
Just when we need it most.

Those who were prone to do us honor,
When everything with us was going nice,
May be the first to cast the stone of malice
When our reputation is sacrificed;

But when all the rest have gone their way,
And the world is upside down,
We have a friend that's always faithful;
He's just a common yellow hound.

Whether fortune smiles upon us,
Or poverty has pulled us down,
The one true friend in which we can always depend,
Is that faithful yellow hound.

The wintry winds may fiercely blow,
The snow and rain may fall,
But he gladly sleeps on the cold damp ground,
If only he may be at his master's call.

He will caress the hand that has no food to offer,
He will lick our sores and wounds,
He will guard the sleep of his pauper master,
This faithful yellow hound.

Friends and riches may desert us,
Reputation take wings and fly away,
But this constant, faithful canine friend
Will never fail to stay.

If fortune drives the master an outcast,
Friendless, homeless and troubles without end,
To accompany him and guard against his enemies
Will be the highest privilege of this canine friend.

And when death takes the master in its embrace,
And the last earthly scene is past,
His body is placed in the cold damp ground;
But this friend has been faithful to the last.

All others may pursue their way,
But there by the graveside will the noble dog be found,
Alert, watchful, faithful and true;
Though he be just a common yellow hound.

Sincerely yours,
—J. W. McCrerey

Things are rolling toward normal faster than had been expected six months ago. Marcus Nadler, New York University finance professor, told the American Bankers Association he believes: (1) Forces which brought about inflation have run their course; but (2) no very abrupt or severe decline in business activity in the next 12 months is to be expected. Most heartening fact is that so far the prosperity level—business activity, production, wages and employment—continues near its boom-time peak, although some individual industries' necessary readjustments have proved to be far from painless.

## Buffs Drubbed in Last 2 Games of Basketball Season

The Buffalo Basketball team lost the two last games of the season, falling before both Texas Tech at Lubbock and Hardin-Simmons at Abilene.

The Buffs fell before Tech last Wednesday night at Lubbock by the score of 70-61. The game was as rough as any football fray.

Hardin-Simmons dumped the Buffs hard Monday night at Abilene with the score of 71 to 45. This team had come up fast during the past few weeks and had dumped Tech at Abilene Friday night.

Hardin-Simmons and the Buffs were fighting for third place in the Border Conference. Arizona State holds the top place, with Tech second in the circuit.

## *Famous Group From New York Will Present Snow Queen*

Miss Novella Goodman, President of the American Association of University Women in Canyon, has announced that arrangements have been completed to bring the famous Clare Tree Major Children's Theatre of New York to present a stage dramatization of the Hans Christian Andersen fairy story, "The Snow Queen." This play will be given at the West Texas State College Administration Building Auditorium the afternoon of March 21.

"The Snow Queen" is one of the six all-time favorites chosen by Clare Tree Major to celebrate the twenty - fifth anniversary of the founding of this unique non-profit-making organization.

The committee in charge of arrangements for the play is headed by Mrs. Hallie Sligar, assisted by Mrs. Joseph Findley.

## *Cub Scout Awards Made at Blue and White Banquet*

On last Friday evening the highest award in Cub Scouting, the Webelos rank, was presented to Norris Samuelson and Billy Harrison at the annual Blue and Gold Banquet of Pack 31 of the Canyon Cub Scouts in the basement of the Methodist Church with approximately 30 boys and 50 mothers and fathers present.

Al Rushing Meyers, Norris Samuelson and Billy Harrison were graduated into the Boy Scouts and were received into Troop 66 of the Boy Scouts by Dr. Charles Martin, Scoutmaster.

Four new boys, Richard Busteed, Burch Campbell, Burton Davis and Perry Slagle, were admitted into the Cub Scouts and received their Bobcat badges.

Hayden Weaver took over the duties of Cubmaster, succeeding Rev. Weems Dykes, and George Blackwell assumed the duties of Assistant Cubmaster.

The principal speaker of the evening was Rev. Hubert Thomson, pastor of the Methodist Church which sponsors the Cub program.

Table decorations in a beautiful blue and gold theme and food and service for the banquet were under the direction of the Den Mothers, Mrs. A. A. Clark, Mrs. R. E. Harrison and Mrs. Otto Samuelson.

All boys of ages 9, 10 and 11 are urged to join the Cub Scouts and begin their adventures in Scouting.

## *Why Do We Bungle Affairs of World Subject of Speaker*

Dr. Huston Smith of St. Louis spoke Tuesday at the Rotary Club luncheon on why we are bungling affairs so badly in the world today. Dr. Smith is here this week lecturing to students in West Texas State. He is an eminent psychologist, and is making his third trip to the campus.

Jack Walker was introduced as a new member of the club. He is in charge of radio work in the Speech Department.

Dr. Smith drew his lessons from the development of a child. Chronologically a man reaches middle age in his 40's, but he may still be a child psychologically. "There are not enough mature people in responsible places in our world," stated the speaker.

A child is born ignorant. He has to pick up knowledge. Learning is a painful process, and some people level off at 15; others at 50, or even at a later age.

According to Dr. Smith, there must be five steps in development:

1. Adequate knowledge to understand problem.

2. Independence. Some people carry crutches so long as they live, relying on other folks, others upon alcohol as their crutch.

3. Responsibility. We cannot develop without this. There will not always be someone around to pick up the pieces.

4. Socially centered instead of self centered. The child reaches for the last piece of cake, and demands the best for himself.

5. The child is part-seeing; but adults must become whole-seeing. To see problems as others see them; as the Chinese; as the Negro; as the employer; as the employee.

There are too many false standards today. More money is spent on either cosmetics or upon horse racing than upon education.

Visitors were Mr. and Mrs. Leonard Sutton of Colorado Springs; Jack Osborn of Pampa; Judge Henry S. Bishop, Allen Early, J. O. McGuire, Bill Dell, Jim Rowntree, Arch Hunsley, all of Amarillo; D. F. Cates of Vista, Calif.

## *Volume Number of Canyon News May Seem a Misfit*

This is Number 53 of the Canyon News!

This may seem to be a misfit since 52 issues are considered to be the regular volume of newspapers.

However, due to the fact that leap years have thrown the volume number out of kelter, The News has had to make up some numbers which were inadvertently missed in the past years. For several years the volume number was changed in April. Now it has slipped up to the first of March; but we are going to try to correct these missing numbers by running above Number 52.

Few people will know the difference, or care a lot which ever way we do it. The Canyon News will still be the Canyon News regardless of the number of the paper.

### BUSINESS WOMEN'S CIRCLE OF PRESBYTERIAN GUILD MEET

Members of the Business and Professional Women's Circle of the Presbyterian Guild met on Tuesday evening, February 22, in the home of Mrs. A. B. Haynes.

Mrs. James Cole led the devotional and Mrs. Haynes gave the lesson.

Those present were Mrs. Katherine Kunze, Mrs. Mary Sligar, Mrs. Ethel Shaw, Mrs. Roscoe Davis, Mrs. Joe Black, Miss Mae Simmons, Mrs. Cole, Mrs. B. F. Bollman, Mrs. Bob Parsons and the hostess.

### SHRUBS ARE DISCUSSED BY CENTRAL H. D. CLUB

Mrs. S. L. Terry was hostess, Friday, February 25, to the Central Home Demonstration Club.

The name of a shrub was given by each member in response to roll call. A very interesting game on naming different shrubs was led by Mrs. R. E. Foster.

Mrs. W. L. Rice opened the business meeting by calling for a report by the finance committee. This was given by Mrs. S. R. Hood. She reported a "come as you are breakfast" to be held soon. Each member will be picked up and fined for each extra garment she puts on before she will leave her home.

An order of roses was sent by the marketing chairman, Mrs. Levi Cole. The club elected two delegates, Mrs. Rice and Mrs. Cole, to go to council and represent the club in the district meeting. Collection of T.H.D.A. dues was made.

Miss Lou Ella Patterson gave a most interesting demonstration of shrubs and trees for this part of Texas.

Refreshments were served by the hostess to the following club members and guests: Mrs. T. A. Kluck, Mrs. Frank Phillips, Mrs. R. E. Foster, Mrs. R. H. Long, Mrs. S. R. Hood, Mrs. Douglas Marshall, Mrs. Otto White, Mrs. Maud Walters, Mrs. Mae Johnson, Mrs. W. L. Rice, Mrs. Levi Cole, Mrs. Hugh Greiner, Mrs. George Barker, Mrs. Bebe Webb, Mrs. Fred Marshall, Mrs. N. M. Brietling, Mrs. C. J. Danner and Mrs. Ted Reidl.

The next meeting will be on March 11 with Mrs. Frank Phillips as hostess.

### BRYAN McDONALDS HOSTS TO FRIDAY NITE BRIDGE CLUB

Friday evening Mr. and Mrs. Bryan McDonald were hosts to the members and husbands of the Friday Nite Bridge Club to a buffet dinner.

Attractive arrangements of flowers decorated the entertainment rooms.

A buffet dinner of chicken spaghetti, pickles, green beans, beets, stuffed celery, rolls, frozen strawberry short cake and coffee was served to Mr. and Mrs. Guy Harp, Mr. and Mrs. T. H. Knighton, Mr. and Mrs. J. W. Kleinschmidt, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Clarence Thompson, Mr. and Mrs. J. D. Barker, Mr. and Mrs. W. C. Black, Mr. and Mrs. Ray Campbell, Mr. and Mrs. Lee Foster, members; and Mr. and Mrs. Bud Owens, Mrs. Ethel Shaw and Mr. and Mrs. W. S. Kerr of Hereford, guests.

## Proposing a Youth Alcohol Anonymous To Combat Liquor

Students of the Amarillo High School have proposed organization of Youth Alcoholic Anonymous in order to combat the increasing use of liquor among the youth of that city.

A survey has been made of youth organizations which show on astounding increase in the amount of liquor being used by high school students and even those of the grades. Students in many colleges are becoming alarmed at the increased amount of liquor being consumed by the older youth of the state.

A survey was recently made of church members of a certain city not far away which indicated that from 25% to 75% of the officials of the leading churches kept liquor in their homes and drank it regularly.

I was the young editor of a weekly paper in a small town. Being a stranger, I wanted to become asquainted and of course make as many friends as possible. Most of the people showed a friendly spirit but there was one fellow who seemed to be a natural grouch and he was downright rude.

Finally, I got tired of it and one day while a bunch of us were waiting in the postoffice for the mail to be put up, I asked each man his opinion on a subject—that is, each man but the killjoy. He said, "You didn't ask me for my opinion." I snapped, "No, because nobody gives a durn what it is!"

His face lighted in a broad grin; he stuck out his hand and said, "Shake! I didn't think you had it in you."

And he became one of my best friends.

Howard Peak in his book, "A Ranger of Commerce," (Naylor Company, San Antonio) said a traveling man told this story:

"I was stopping at a boarding house and, in the evening, while out on the stoop smoking, I heard a little boy in an adjoining room crying, to the accompaniment of a descending slipper. I eased to the open window and, looking into the room, saw the mother with a small boy across her lap, administering a pretty warm chastisement. Nearby was a baby in the throes of laughter. I heard the boy cry out:

"What are you whippin' me for, mother? I aint done nothin'." The mother answered, 'I know it, sonny, but the baby has got to be amused.'"

A while back, your columnist interviewed an old-timer then I was talking to a mutual friend and remarked, "he is 79 years old and his mind is as clear as mine." My friend said, "Yes—at least that clear."

Mark Twain declared, When in doubt, tell the truth as it will confuse your enemies and amaze your friends.

And Mark also once remarked, "Few of us can stand prosperity. Another man's, I mean."

The visitor to the trading post on the lake asked the clerk about the weather for the next day. The clerk shook his head. Just then an Ojibway Indian — an odd-job worker about the place — entered the post. His answer was immediate: "Going rain—much." And so it did.

The next day the visitor was again at the post, eager for expert testimony on the weather. Fortunately, the Indian who heard the voices of nature was also present. This time the weather was to be clear and cool. Again the forecast was correct.

The third morning the query was repeated. The Indian smiled: "Dunno. Didn't hear radio today."

A rural Ohioan recently arranged to have his aged mother cared for in a nursing home, where he has been visiting her twice a week. Each time he brings her a special lunch of delicacies from the farm, including a thermos bottle of fresh milk in which he slips a little brandy-on advice of the family doctor.

The old lady is always delighted with the lunches, and the other day, as she sipped the milk, she said gravely, "Oh, Larry, don't ever sell that cow!"

President Truman is letting it be known quietly that the latchstring is out for more businessmen and bankers who may want to confer with him. There have not been many White House callers from the business world since election, a fact that somewhat disturbs the President.

# Strong Weapon In America Is Our Personal Ability

"No intelligent citizen will disagree with General Eisenhower's statement that the strongest weapon we have against foreign aggression is our ability and capacity for production," says W. Alton Jones, President of Cities Service Company.

". . . The capacity to produce is due to a system by which savings flow voluntarily into new developments of products and methods of producing them in quantity. Also, this capacity to produce is due to mass selling, the twin brother of mass production and likewise an exclusive American tool. The union of the two has given us an expanding economy which is the envy of all other countries.

"This ability and capacity to produce winds world wars, and in peace brings the elder nations of the world to our doors, seeking assistance.

"Lest we forget, mass production did not just happen in America. Men skilled in its operation here installed assembly lines in France, Germany, and England. They failed. Why? The answer is found in the comment of an eminent Britisher last month: 'The key to America's power lies in qualities which derive from a social and political soil of the United States . . . for creation is an art as well as a business.'

". . . When a legislative proposal is made in the economic field, in finances, insurance manufacturing, natural resources, distribution, each of us should apply this test: Will such a course slow down the productive spirit of our people or will it encourage the industrial genius of America to move on to greater and greater accomplishments?"

Henry J. Kaiser, whose vast holdings cover a variety of industries, told one of his aides: "I've just bought a million-dollar electro-magnet furnace."

His aide asked: "Where are you going to put it?"

Kaiser shrugged: "Oh, you and your petty details."

# BIRCH

### MASTER MAGICIAN COMING SOON

Announcement was made today that Birch, America's foremost magician, with his company of assisting artists will play an engagement in this city on March 16 at the College Auditorium.

The Birch show is the largest magic production now on tour in this country. Equipment, scenery and effects valued in excess of $25,000 are carried and will be seen at the local performance.

Slicing a beautiful girl into four parts, shooting a live canary into a burning light bulb, causing a live pony to vanish in mid-air, and many other startling mysteries will be presented by this master magician and company in a magic pot-pourri of thrills and fun.

The current tour is Birch's twenty-fifth annual one, and his attractive personality makes him one of the most pleasing entertainers the magic world has ever produced. Thurston publicly declared that Birch is the only magician sufficiently talented to be his successor and the man he picked to "fill his shoes."

Heading the Birch staff as assisting artist is Mabel Sperry, hailed by critics as the world's greatest girl xylophonist. Miss Sperry charms music lovers everywhere with brilliant solos on her special built Marimba Xylophone.

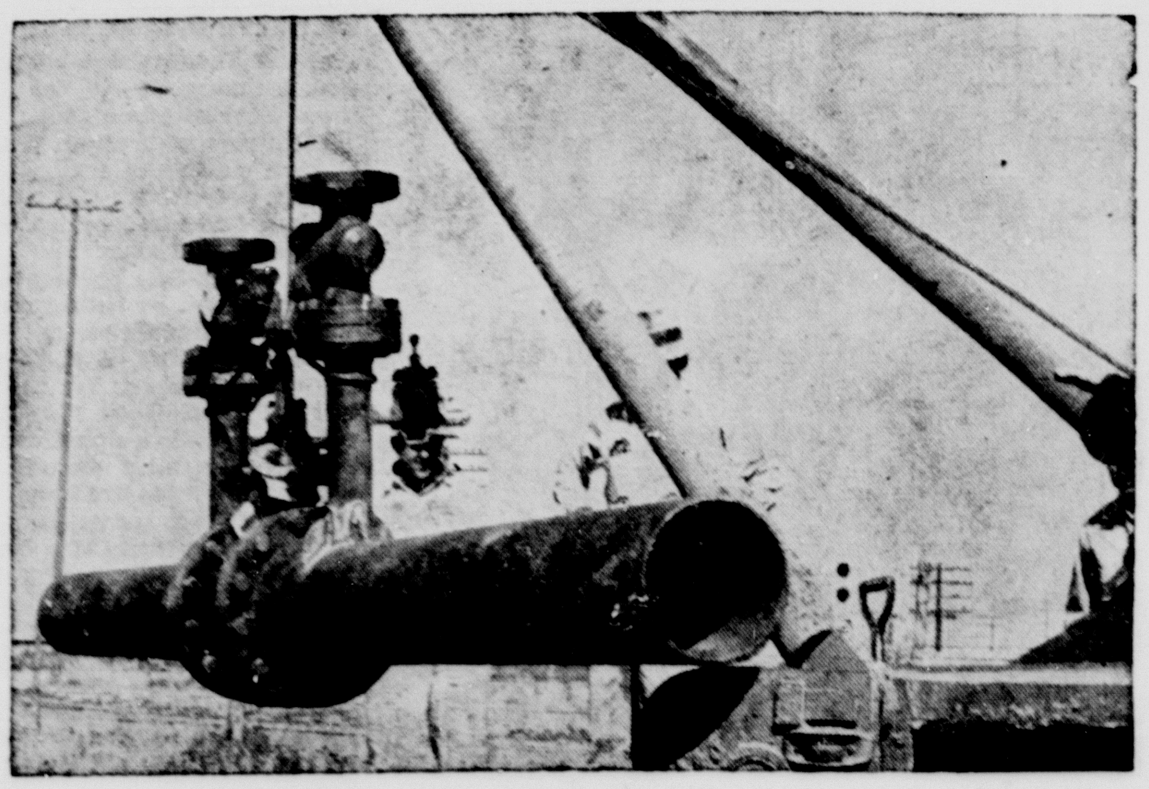
Price of Valves is up 43%



Five valves, one eight-inch, two three-inch and two three-quarter-inch, were used in the block gate, shown above, which was installed in West Texas Gas Company's transmission line in 1948. The three-inch valves have increased in price from $25.48 each in 1940 to $36.63 in 1948.

Yet Natural Gas Service Remains At the Same Low Pre-War Prices!

In cold weather scores of valves are opened and closed to meet your requirements for natural gas service.

Like other equipment, the price of valves is much higher today . . . but your gas rates are still at pre-war prices.

Yet . . . despite the increased costs of equipment, transmission, production, steel pipe and compressors . . . natural gas service is still furnished you at 1940 prices!

# Nationally famous dance orchestra Heads personality festivities here

**The glitter and glamour of the big-time is coming to West Texas State.**

**Furnishing the glitter will be Skinnay Ennis and his nationally famous dance orchestra.**

**Producers of the glamour will be Personality Royalty from over the Plains area.**

**All will appear at the gigantic and elaborate Plains Personality Pageant here, Thursday, March 10.**

**George Black, Student Association president, announced early this week that Skinnay Ennis has been booked for the formal dance the night of the 10th. He will come here from Hollywood.**

Plans for the gala festivity have been progressing rapidly and by the date of the event, West Texas State students and followers should be the recipients of the biggest social event in its history.

High schools over the Plains area have been electing special Personality Princes and Princesses to send to WT as representatives of their school. They will start arriving around 10 o'clock Thursday morning, March 10 and will report to the Publications Office where a welcoming committee will be on hand.

From the Pub they will be taken to dormitories where they will make their headquarters for their stay on the campus.

At 3 o'clock all representatives will be guests of the Speech Department in the Branding Iron Theatre for a one-act play directed by Sybil Ann Gillis.

Immediately following the play, delegates will be the guests of the Inter-Club Council at a tea in the lobby of the Branding Iron Theatre.

During the tea, Station KAMQ of Amarillo will conduct a radio-interview with the delegates from 3:30 until 4 o'clock.

Rehearsal of the Pageant will come at 5:30 with Master-of-ceremonies William A. Moore, in charge.

Dancing preceding the Pageant, will commence at 8 o'clock to the music of Mr. Ennis and his 14-piece aggrigation.

Presentation of the Royal Court and of the King and Queen of Personality in West Texas State will commence at 10:15.

This portion of the festivity will be carried over Station KFDA in Amarillo until 10:45.

The expenses of all delegates will be paid by the Student Association and all necessities furnished.

If representatives wish to stay overnight on the campus, they may do so. Housing will be in dormitories.

Just about all that is left undone at the present is the selection of the King and Queen of Personality and the runner-ups. This will be accomplished next Thursday, March 3, in a day-long open election in the main hall.

S. L. Franklin of Tres Piedras, N. M., visited with his mother, Mrs. E. A. Franklin, part of last week.

Miss Johnnie Courtney of Canyon and Miss Mary Volene Buster of Amarillo enjoyed a birthday dinner in the home of Miss Buster's parents, Mr. and Mrs. Jack Buster of Wayside. Others who enjoyed the occasion were Mrs. A. B. Duncan, Miss Louellen Pennington and Arthur Bailey Duncan, all of Canyon; and Mrs. Fannie Stevens and Coy Stevens of Wayside.

The Wayside basketball team won second place at the District Tournament held at Kress. Jack McGehee and Jerry Buster were each awarded a gold basketball. The Wayside community has been very loyal to the boys. A large number have attended each game. We are indeed proud of the record the boys have made.

Mr. and Mrs. W. R. Franklin were Amarillo callers last Thursday. They also visited in the Roy Franklin home near Amarillo where they found Roy suffering with an infected hand. He was unable to work all last week.

Mrs. Jack Buster and Mrs. Jack Foster were Amarillo and Claude callers Monday.

W. R. Franklin is helping to build a large dairy barn on the Ewing McGehee place now owned by Mr. Eades of Amarillo.

The Home Demonstration Club met in the home of Mrs. Henry Hamblen Thursday, February 17, with 15 members present. A very instructive program on dressmaking was given by Mrs. Austin.

During prohibition days, an exhilirating pastime for homecoming tourists involved sneaking foreign-purchased liquor past customs inspectors. The customs officers were wise to all the little subterfuges but, unduly provoked, they overlooked minor infractions.

The craziest and most easily detected dodge was a sort of harness that enabled ladies to "hide" four or five bottles under their dresses, although there was a telltale clink as they ankled down the gangplank.

The late Horace Liveright was accompanying one of those ambulating snack-bars when one bottle in her harness broke loose and crashed to the floor of the pier. The customs inspector looked severe. The lady burst into tears.

Then the gallant Liveright came to the rescue. "She has water on the knee," he explained.

Time has done little to efface Rosalind Russell's beauty, to the chagrin of younger rivals. One such elbowed her way into to group surrounding the actress at a Hollywood reception not long ago and, with a pointed stare, commented, "I dread to think of life at 45, don't you?"

Miss Russell eyed the cat and politely inquired: "Why, dear? What happened then?"

Mr. Truman is amused by Governor Thomas Dewey's billion-dollar budget in New York State. He wonders how big the Federal Government's budget would have been if Mr. Dewey had been president and had accepted increases proportionally as large as those he reccommends in New York.

# Food Handlers of Texas Will Go to Instruction School

In a vigorous campaign to elevate the State health level by preventing the spread of communicable diseases which might be transmitted by foods, the State Department of Health is conducting training schools for food handlers in all sections of Texas, according to Dr. Geo. W. Cox, State Health Officer.

"Food handlers are being instructed in sanitary methods of preparing, handling, and serving food for public consumption," Dr. Cox said. "Actual experience has shown that an insanitary eating establishment is one of the surest sources of spreading infection. The lack of proper sanitation in food handling is a definite menace to public health and our goal is the education of cooks, waiters, butchers, bakers, fountain men, and all other food handlers to such a level as will insure an elimination of this health hazard."

The training schools consist of elementary courses in bacteriology, communicable diseases, medical zoology, disinfection, foods, sterilization, personal hygiene, and sanitation.

Since the program was instituted about 8 years ago, more than 400 schools have been conducted, with a total of over 25,000 food handlers receiving their certificates of completion in the courses.

Arrangements for such a food school can be made through any county health unit ,by requesting the service from the Division of Health Education, State Department of Health, Austin, Texas.

Charles Brannan, Secretary of Agriculture, was caught off guard by the crack in farm prices. Secretary Brannan recomended to Congress that farm production controls can be avoided in 1949. Now it appears that the 1950 farm problem can be so big it will be a major political headache for Mr. Truman.

# Faculty Chooses Jr. Who's Who According to School's Tradition

### Five Girls, One Boy Lead List of Names for Honor

Donna Erwin, Peggy Moore, Wayne Prichard, Martha Hales, Melva Martin, and Mary Ruth Hill are the six juniors chosen by the CHS faculty for Who's Who for 19499. These students were chosen for their citizenship, scholarship of a "B" average, loyalty, initiative, achievement, co-operation, personality, and dependability. Another requirement for this honor is that the student must have attended Canyon High for at least one school term.

Donna Erwin has made an outstanding record in FHA of which she has been a member for three years. She was vice president of Area I and was chapter treasurer when she was a freshman. While a sophomore she was FHA chapter president. Donna is band president this year of which she has been a member for three years and she was a member of the A Capella Choir for two years. Donna was a member of the Spanish club one year, was sophomore favorite, is a member of the sextette and held an important part in the Junior play.

Peggy Moore has been a member of the FHA for three years, a member of the A Capella Choir two years, and was on the Junior play cast.

**One Boy Listed**

Wayne Prichard, the most outstanding boy of the Junior class, was football co-captain for '49 and lettered three years in football, has been on the track team, was treasurer of his sophomore and junior classes, is SFC representative, and is FHA Prince Charming for 1949.

Another outstanding junior, Martha Hales, was secretary of her freshman class, a member of the Spanish Club one year, a member of the A Capella Choir one year, and has been a FHA member for three years.

Melva Martin who joined the class at mid-term, last year, is sergeant-of-arms of the junior class, was a candidate for carnival queen this year, a member of the A Capella Choir her sophomore year, and a member of FHA for two years.

Last, but not least, is Mary Ruth Hill. She, as a freshman, was SFC representative, FHA parliamentarian, and was a member of the Spanish Club. While a sophomore, she was secretary of FHA and a member of the A Capella Choir. Mary Ruth is now secretary of the junior class, vice-president of FHA, was a reporter on the Eagles' Tale Staff the first semester and is now second assistant editor and chief copy reader. She is on the annual staff and was in the Junior play.

**EDITORIAL**

Are you setting in study hall doin nothing? Are your lessons for tomorow still undone? Well, this is strictly for you, and others who are often in this position.

Make use of your study halls, don't set through them, didling and dawdling away, or gossiping with your neighbor. Think of your assignments for tomorrow, your vocabulary, that book report, waiting to be done. Couldn't you be working on those now, rather than putting them off 'til tomorrow or the next day. Try it, and you'll be surprised at the way your grades will rise!

**WEEK'S CALENDER**

Wednesday, March 2—All first, third, fifth and seventh period exams. Farm Bureau Banquet for Randall County farmers at 7:30 p. m. in the High School Cafeteria.

Friday, March 4—A movie on Mrs. Ed Harrell's trip to Australia will be shown in the auditorium at 10:00 a. m. for the fourth, fifth, and sixth grades.

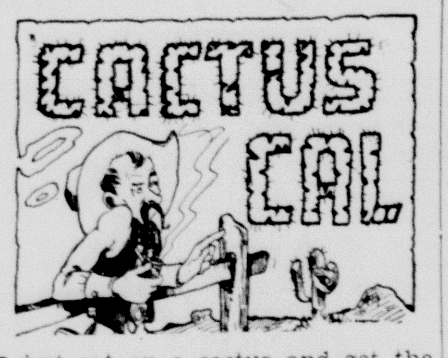
Saturday, March 5—Panhandle High School Press Association meet at WTSC beginning at 9 a. m.

Tuesday, March 8—High School Band parents meeting in high school auditorium at 7:30 p. m.

A Massachusetts teacher, annoyed with his clock-watching students, covered the clock with cardboard on which he lettered: "Time Will Pass. Will You?"

**AT TIMES**

The times we are living in are wonderful times to live in at times.



I just sat on a cactus and got the point
So here is some news that will rock the joint

A new couple in CHS is Marvin Cornette and Wanda Edwards. I heard that little trip home from the Claude tournament Friday night was ritzy.

Sue Dickerson has a pretty Happy senior ring hanging on a chain around her neck. Don't know whose it is, but his initials are Clinton Miller.

Ema Gene Zachry has a new neck-name given to her by the basket ball girls.

Lee Harper might be a new student in CHS but she is carrying out the good neighbor policy by going with Bobby Scruggs, an ex-student of Canyon High.

Billy Cunningham certainly enjoys church especially when that "cute, little red-headed", Nancy Bolton is sitting with him.

Bruce Winn and Betty Ross Craig were seen at the local cenema Saturday night.

It's rumored that the bright red flame has gone out between Clara Sue Hardaway and Truman Laughery.

Eddie Henson just happened to be walking to school with two girls the other day. Why don't you tell ole Cal these things?

The Tysene Cox-Bobby Ratlif flame seems to be growing. Or so it seemed Sunday afternoon.

Sarah Martin, you have been keeping secrets from ole' Cal. Why didn't you tell me about Ted from W.T. College?

Larry Stroup has been eyeing Doris Ann Jennings! Will something come of this?

Houstene Prichard was seen with Sonny Hamblin Saturday night, and Clyde Fewell Sunday night! Full week-end eh?

Doris Keller is teaching Bennie Abbott how to play Turtle. (too bad they are cousins)

Joe Abbott and Norris Root, who won the arguement between you two, and got to take Ruby Lee Bonds home Saturday night?

What was Don Hammonds doing out at the Stroup Home Sunday night? Was it to see Melba?

Didn't Fays Gunter and Bill Hall look "cute" riding around in that "brand new car" Friday night.

Chloe Ann Black missed an important phone call Thursday night, didn't she, Billy Cleavinger?

Annelle Pond and Conley Cantrell really keep the mail man busy, or so I hear.

Speaking of letter writing, who is this certain someone Mary Ann Sloan gets letters from?

Nelda Ruthardt and Richmond Payne think that the show is just as interesting on Saturday afternoon as it is at night. How about that kids?

More secrets around this place! I just found that Laura Davis gets an important phone call every Monday from WT College.

Peggy Moore has found that telling jokes in biology class doesn't pay!

Here is the gossip so fat and sleek,
But hold on folks, I'll be back next week.

# Eaglettes Win District Third Place

Canyon Eaglettes ended their 1948-49 season with flying colors by copping the coveted third place trophy at the District tourney held at Claude last week-end. Canyon also placed four members on the all-district tournament team, two on first team and two on second team. Dorothy Butler Duniven, forward, and Mary Sue Foster, guard, were designated first all-district while Janey Forrester, forward, and Lorayne Carter, guard, were placed on second all-district.

**Eaglettes Defeat Hedley**

The Eaglettes were easy victors in their first round of the tourney when they tipped Hedley 44-28. They established a three point lead during the first quarter and never lost it throughout the remaining periods. Half-time score was 23-18 in Canyon's favor. Bobby Ford topped the high point spotlight by sinking 18 points. Dorothy Butler Duniven and Janey Forrester followed with 14 and 12 points respectively.

**Samnorwood is Downed**

The second hurdle of the tourney was opposite Samnorwood Friday night. Here again the Eaglettes played spectacular ball and were triumphant when they chalked up 34 points to Samnorwood's 29. Canyon came up from behind to win this game. They were trailing at half-time 13-10. At the end of the third quarter they were still trailing by 3 points. They rallied in the fourth quarter and let loose a forward attack which resulted in a victory for Canyon.

Dorothy Butler Duniven and Janey Forrester tied for high scoring honors with 14 points each to their credit. Bobby Foster, substitute guard, did outstanding guarding by snatching numerous rebounds and gaining possession of the ball.

**Eaglettes Reach Semi-Finals**

This brought the Eaglettes to the semi-finals with McLean. Here the Eaglettes suffered their first and only defeat of the entire tournament when McLean tripped them with the narrow margin of 39-38. At half-time McLean held the lead over Canyon 20-18. The third quarter was a battle with each side holding the scoring down to the same number of points. Both teams scored 11 points in the third period. The Eaglettes held McLean in the fourth quarter, allowing them to make only 8 points to Canyon's 10. But it was too late and the game ended with McLean winners by one point. High point ringer for Canyon was Dorothy Butler Duniven who scored 17 points. Gudgel of McLean led her teammates, making 30 points for the victors.

**Canyon Wins, 34-27**

Canyon met and defeated Shamrock Saturday night in a tussle for the third place trophy. The Eaglettes captured the lead in the first quarter and when the half-time came, they were still leading by 13 points. Canyon coasted the second half and made a victorious exit, winning 34-27 and copping the third District trophy. Bobby Ford led the Eaglettes scoring attack, rolling in 14 points. Janey Forrester followed closely with 13 tallies. Harris was high point for Shamrock, chalking up 18 points for the losers.

**ONE YEAR AGO**

Our boys won district basketball championship of the district this week.

M. D. Shepherd resigned from the CHS faculty this week to take over a position at Meyer's Implement Company.

Herman Dumas is here this week to take Mr. Shepherd's place as music instructor.

It seems there was a certain boy from Dumas who was hunting for Dorothy Butler Sunday. Did he find you, Dorothy?

Some one said that Gerald McDuff was running around town with a girl named Jean Pitt. Is that right, Gerald?

Our Canyon Eaglettes met the Wayland College girls in a basketball game which proved to be very exciting.

The new district football trophy has arrived, kids, so go down to the trophy case and take a look at it. Then take the trouble to tell the boys we are glad they won it.

This week we are observing National FFA and FHA week. This work is worthy of our support. Let's help them in their programs.

**THE WAY**

One way to secure prosperity within a couple of weeks is to let each man run another man's business.

**EXCEPT**

All the world loves a lover, except when he driving a motor car in crowded traffic.

**NOW THINKS**

The kind of fellow who once thought the world owed him a living now thinks it owes him a ride.

True, no one is shot in a cold war, but how many are scared to death?

## Buff Band Gives Benefit Concert

In an initial concert performance, the Buffalo Band under direction of M. J. Newman of West Texas State College presented the following program in the CHS auditorium Tuesday evening:

Theme — arr. M. J. Newman.
Komm, Susser Tod — Johann Sebastian Bach.
Slavonic Rapsody No. 2 — Carl Friedemann.
Scherzo, from Quartet in A Minor —Robert Schumann.
**The Clarinet Quartet**
Selections from 1949 Band Contest List.
Minstrel Show — Philip Greeley Clapp.
**The Trombone Quartet**
Peter and the Wolf — Serge Prokofieff.
**William Huchinson, Narrator**
Washington Grays — C. S. Grafulla.

The purpose of the concert was to benefit the Canyon High School Band Uniform Fund and was sponsored by the Band Parents Club of which Mrs. Bryan McDonald is president.

## *Sizzling Seniors Sigh Studying Sad Story*

Did Charles Darnay do right in returning to France to save Gabriel? Did Mr. Manette finally recover from his mental illness? How could Sidney Carton give his life for another?

These were the question the English IV class members were asking each other last week.

Why? For no other reason than that there was to be a test and who wants to fail a test?

That's why everyone who wasn't in the English Four Class was thoroughly tired of hearing about the "Tale of Two Cities."

It so exasperated Mr. McMahan that when someone asked to go into the hall to review it, he made the announcement that "anyone who wants to hear the 'Tale of Two Cities,' may step into the hall."

With all this studying, you would expect rather good grades, and the students did quite well with 89% passing and 29% making A's.

## Campfield Poll

What do you think about semester test exemptions? These are the opinions of several people.

Mary Ann Sloan: It's a very good thing to have.

Don Hickman: I think it's plenty okay!

Betty Slagle: It surely shows who studies and who doesn't.

Carl Crow: I like it, I guess.

Barbara Head: Hm-mmmmmm! (That's a yes.)

Robert McClendon: I think we ought to have it for everyone.

Glenn Prater: If they exempt students, one student would try harder.

Melva Martin: Lovely idea!

Donald Davis: I think its a good idea if I could make it.

Louis Seay: Have it, by all means.

Billy Payne: More people would study to try to get out of taking tests.

Betty Kinsey: I wish they had it!

Billy Samples: They should exempt everyone!

Janey Forrester: It's a super swell idea.

David E. Lilienthal, chairman, Atomic Energy Commission: "This democracy of ours is founded on a faith in the judgement of the people as a whole."

Paolo Traves, Member Italian Chamber of Deputies: "The Communist Party is like an exclusive club; it is very hard to resign from it."

Eliezer Kaplan, Israeli Minister of Finance: "Jewry throughout the world and Zionist forces everywhere face a greater challenge than before the creation of the Jewish State."

Tom Connally, U. S. Senator from Texas: "The European countries must have labor under no illusions. The United States does not possess the Midas touch."

February will be short (28 days). Fifteen days later we'll all be short.

## *Volley Ball Will Be In Limelight Now*

Thirteen girls reported for practice when volley ball started last Monday afternoon. There will be a heav yschedule for the girls this year. They will participate in four tournaments :the first at White Deer, March 12, the second will be held at Canyon, March 19, the third at Amarillo, March 25-26, and the fourth at Pampa, April 2. The First team will be chosen Friday afternoon after they have practiced this week. The team's first game will be Tuesday afternoon at 4 o'clock with Phillips in the Grade School gymnasium. Girls reporting for practice are: Bobbie Ford, Bobby Foster, Mary Sue Foster, Lorayne Carter, Patty Ford, Janey Forrester, Jo Parker, Dorothy Butler Duniven, Wanda Edwards, Linda Dooley, Benny Sue Boswell, and Dixie Whitman.

## Doyle Bourne Has First Place Calf

Doyle Bourne, a member of the eighth grade of Canyon Public school won first place with his baby beef in the County Junior Livestock Show last Saturday. Albert Craig showed the reserve champion for the 4H Club. 4H boys and FFA members of Randall county participated. Quality, quarter, loin, general appearance and width of side and loin, determined the winning points.

Doyle sold his calf for 64 cents per pound, but Albert carried his calf to the Fat Stock Show in Amarillo this week for further competition.

Ray and Dennis Burrus, Jerre and James Inman also represented the CHS Chapter of FFA, showing calves that placed.

Several members of the CHS bays are in Amarillo showing stock this week.

## Society Sue

Since fads and fashions are of interest to most of us, here I am again to give you some of the latest.

Did everyone see that flashy green polka dot necktie worn by Mr. Potter Monday.

Jo Parker brightened the school last week by wearing a very pretty deep purple two piece dress.

Ava Dooley gives us a spring-like, cheerful picture in her bright yellow blouse and flowered skirt to match.

Anita Kersey wore a "cute", frilly, white blouse, Monday.

It's blue, now it's green, what is? Haven't you noticed that dress that Jeanine Scott has been wearing lately, that's so changeable in color?

Another pretty two-piece dress of black and white strip combinations is a part of Laura Davis' spring wardrobe.

Dorothy Dunivan wears a striking yellow and gray dress.

Shirley Priddy's dark green rayon garbardine dress is evidently a garment fit for royalty.

Geneva Devin adds to her school wardrobe a new gray skirt and a white blouse.

Dr. Ples Harper, head of the foreign language department of West Texas State College, was a lunchroom visitor last Monday, taking lunch with Mrs. Harper.

A new student in the freshman class is Jimmy Sybert who comes to CHS from Stephenville, Texas.

Did you know that the Senior Play will be held March 25.

Mrs. C. Bell was absent from school Monday due to illness.

BABY CHICKS

We are taking off baby chicks on Wednesday and Saturday each week at present. Both light and heavy breeds.

We have electric, gas and oil brooders and poultry supplies of Jamesway make.

A complete line of Salsbury's Remedies. The well known Arrow feeds will be handled by us from now on. These feeds have been used in the north and east for years and compare favorably with all top lines of feed.

# Four Teammates Are Placed on First and Second All-District Teams

## Grade Notes

Ann Sybert entered Mrs. Collins first grade from Stephenville.

Mrs. J. D. Barker visited Mrs. Collins room Tuesday.

Joyce Depriest is back in Mrs. Black's room after an illness.

Primary level films were shown to the children last week.

Mrs. Davis' and Mrs. Murrell's second grades were shown films last week. They were "Little Black Sambo", Mary's Trip by Air", "How Young Birds Get Food", and "How Animals are Protected from Their Enemies."

Mrs. H. C. Wigins gave her daughter, Nancy, a surprise birthday party in Mrs. Murrell's room. The children sang songs and were served refreshments of ice cream and angel food cup cakes.

Mrs. B. B. Bollman visited Friday in Mrs. Goodman's third grade.

Danny Barnett, who has been in an Amarillo hospital, is now at home.

Mac Boswell checked out of Mrs. Usery's third grade to attend school in Dallas. The children had a farewell party at which cokes and cookies were served.

Friday the class made dip candles as the pilgrams used to do.

Glenn Tucek showed his calf at the County Junior Livestock Show last Saturday.

Anna Jean Howard was absent from Mrs. Cousin's fourth grade due to illness.

In their language class the children are illustrating poems and are going to put them together to form a class booklet. In Nature Study they are studying birds, plants, and animals and are illustrating the stories they have read.

Nancy Brummett withdrew from Mrs. Walch's fifth grade to attend school at Hereford.

Jerry New spent last week at Tulsa.

Winona Winters is back in school after a week of the flu.

Mrs. Jones' and Mrs. Walsh's fifth grades went to the college on George Washington's birthday to see a program presented by Miss Jean Moore's fifth grade of W.T.

A new student, Jackie Lee Daniel, entered Mrs. Iverson's sixth grade from Quail.

The class chose baseball captains for this spring. They are:

Boys captain: Joe Dickerson
Boys Co-Captain: Howard Lundergreen
Girl's Captain: Betty Glanton
Girl's Co-Captain: Helene Meyer

Mrs. Davis' sixth grade gave a program to 5-I. The program consisted of a choral reading of Rudyard Kipling's "Law of the Jungle" presented by the boys of the class, a reading, "When Earth's Last Picture is Painted," by the girls, and a portion of The Sermon On The Mount by the class.

## Library Receives Various Books

Hurry gang! They're here!

The Canyon Hugh School library has received 21 new books.

They will be found under the following classifications;

Biographies:

"The Lincoln Reader," "The Roosevelt I Knew," "The Life of the Heart," "A Man from Kansas" (William Allen White).

Fiction: "Her Father's Daughter," "The Siamese Twin Mystery," "The Slave Who Dreamed," "Commodore Hornblower," "The Salem Frigate," "All That Glitters," "The Great Tradition," "Honor Bright," "The Singing Cave," "Cass Timberlane," "Return of Silver Chief," and "Silver Chief to the Rescue," "Immortal Wife," "Furlough from Heaven," and "Fair is the Morning."

One story book:

"Gray Wolf Stories."

And one symposium:

"Preface to Peace."

"Students should be attracted to the library by these new books and become acquainted with our older books," says Mrs. Keuhn, CHS librarian.

Mr. E. A. Wooten, Canyon High School Superintendent, and Mrs. Ed Harrell, secretary of school board, are attending the the American School Administrators Regional meeting at St. Louis, Missouri this week.

Mr. Ray Schultz's wife and son ate dinner in the High School Cafeteria last Tuesday.

This week's Eagle's Tale was edited by Fay Dickerson, assistant editor.

### Canyon Nudges Shamrock In Saturday Night Finals

Canyon High's basketball season is over. A season of 19 wins and 9 losses, a total of 1,060 points to their opponents 876, ended last Wednesday night when the Eagles fell before the scoring spree of the Price College Cardinals of Amarillo, 58-48 in a drive for the March of Dimes. The Eagle quintet under the direction of Coach R. D. Wheelock has been beaten only twice on their home court and both times by Price College; the first game by a one point margin and 10 points in the Eagles final game.

Billy Cleavinger and Joe Abbott tied for high point honors for the Eagles with 13 points each. Richard Walters racked up 12 markers. Bruce Winn, 5, Jerre Inman,4, and Troy Burrus, 1. Gallegos and Murdock set the pace for the Cardinals with 27 and 14 points, respectively.

**Eagle B Downs Price B**

Canyon's B squad squeezed out a narrow 38-36 victory from the Price College B Wednesday night to end an unblemished season. They have remained undefeated through nine games, racking up a total of 378 points to their opponents 208.

The game was tied four times and changed four times, with Canyon always holding a slight lead. Half-time score was 32-22.. With three minutes to play and trailing by 8 points, the Cardinal B began splitting the net, but were stopped 38-36 as the final whistle blew.

Troy Burrus led Canyon's scoring with 9 points. Mickey King and Jimmy Lindsey tied for second with 8 tallies each, Garland Butler 7, and Ray Burrus and Norris Root had three each.

**Eagles Nip District Champs**

The Dumas Demons, district 1-A champions, fell before the Canyon Eagles for the second time this year last Tuesday night to the tune of 44-30. The Eagles downed the Demons 51-35 at Dumas in a game before the District meet, but the Demons clipped the Eagles 46-36 at the District Tournament.

Dumas held a slight margin until mid-way in the second period when the score was tied. Canyon was leading 22-16 at half time.

Richard Walters and Billy Cleavinger set the pace for the Eagles with 11 points each. Jerre Inman 7, Joe Abbott 5, Troy Burrus 4, Bruce Winn 2, and Ray Burrus 1. White led the losers with 9 tallies.

## Dr. Rudolph Rieve to Speak Monday at Open Meeting

Dr. Rudolph Rieve, famous psychiatrist and author, will speak in Canyon Monday evening, March 6, at 8:15 o'clock in the Branding Iron Theatre on the subject "The Child in the Modern World."

Dr. Kieve was educated in Hiedelberg. He also attended universities in Berlin, Florence and Turin and in 1946 spent a year doing post graduate work with Theodore Reik, PhD in New York. Dr. Kieve left Europe in 1936. He lived for a while in Wyoming but left there when the legislature passed a law ruling that no foreign graduate could be a member of the staff of the state hospital. He became assistant psychiatrist at the State Hospital in New Mexico and was assistant superintendent when he resigned. He spent two years on the staff of the Coyne-Campbell Santitarium in Oklahoma City. He finally chose Clovis for his field of work to prove to his fellow psychiatrists that it is possible for a psychiatrist to succeed in a small town.

In October, Dr. Kieve presented "Some Principles of Rural Psychology", a technical paper at the Menninger Foundation in Topeka, Kansas. He has another, "The Gossip Complex" which caused much interested reaction at the sessions of the Southern Psychiatric Association in Dallas in December.

In describing the work of Dr. Dieve, the Amarillo News Globe of December 9, 1948, used the following words: In addition to being an accomplished linguist and writer and a practicing psychiatrist whose opinions command attention among the members of his own profession, Dr. Kieve is a brilliant public speaker and has been actively engaged in the program begun by the Yale University Foundation to educate the public in the concept that alcholism is a public health problem and the alcoholic needs medical and psychiatric attention rather than punishment and scorn.

This is an open meeting of the Canyon Branch of the American Association of University Women and the public is cordially invited to attend this meeting.

### CENTERVIEW H. D. CLUB HAS SECOND ALL DAY MEETING

The Centerview Home Demonstration Club met Friday, February 24, in the home of Mrs. A. E. Wise for another all day meeting for quilting and making up meetings missed earlier in the year.

A covered dish luncheon was served at noon. Then the regular club meeting was held.

Miss Lou Ella Patterson gave an excellent talk on color in your yard the year around and what shrubs to plant in this vicinity.

Those present were Mrs. Lester Bryan, Mrs. Clayton Devin, Mrs. Serena Bryan, Mrs. G. E. Wesley, Mrs. J. W. Wesley, Mrs. Joe Wise, Mrs. Curley Myers, Miss Patterson and Miss Vesta Amerson.

The next meeting of the club will be with Mrs. Reynolds Friday, March 4. Come for lunch and bring your thimble as this is an all day quilting B.

### CARD OF THANKS

We wish to express our sincere appreciation to friends and acquaintences of the family for the sympathy and kindness shown us during our recent bereavement. May God bless each one of you. Mrs. Ida Schuette and family, Mr. Wm. Schuette and family.

### PENTICOSTAL CHURCH

### PLEASANT VIEW H. D. CLUB MEETS WITH MRS. CRAIN

The Pleasant View Home Demonstration Club met Thursday, February 24, in the home of Mrs. Cristler Crain.

The meeting was called to order by Mrs. Joe Carver, president.

"My Daily Creed," was read in unison. Roll call was answered by each one present giving a favorite cake recipe. Mrs. J. W. Howell demonstrated making an angel food cake, which was later served as refreshments. The icing was made by Mrs. Cristler Crain. Mrs. Joe Carver talked on butter cakes and gave each member a copy of her favorite spice cake. Mrs. Earl Burtz made suggestions for party cakes. She brought out color in cakes for children's parties.

Mrs. Carver reminded the members to bring clothing to the next meeting for the French family.

Mrs. Burtz gave a report of the finance committee. It was decided that the club would have a "come as you are" party in March. Additional plans for making up the budget were adopted.

Mrs. Burtz also reported that 169 rose bushes had been ordered by the club members.

Excerpts from the Messenger were read by Mrs. J. W. Howell.

Refreshments of angel food cake, apricot ice cream, nuts and coffee were served to Mrs. Burtz, Mrs. Carver, Mrs. A. B. Haynes, Jr., Mrs. Howell, Mrs. Tom Moore, members; Mrs. C. L. Lowe, Mrs. E. L. Crammer and Mrs. Morris Abbott, guests; and one new member, Mrs. Marvin Keller.

Frozen foods will be the subject of the next meeting to be held with Mrs. Morris Abbott on March 10 at 2:30 o'clock.

### MRS. STRATTON HOSTESS TO EDGETOWN H.D. CLUB

The Edgetown Home Demonstration Club met in the home of Mrs. C. H. Stratton Friday afternoon, February 25.

Mrs. J. H. Wright, president, presided at the business meeting with Mrs. Jeannette Robbins acting as secretary in the absence of Mrs. Frank Wright.

After the group had sung "Song of the Open Country" and "Song of Peace," Mrs. A. W. Cunningham conducted an interesting Bible game for the opening exercise. Then the new bylaws for the club were read and adopted.

Marketing chairman, Mrs. Stratton reported that the order for a bolt of rose satin would be placed.

At four o'clock and under the supervision of Mrs. Stratton, an angel food cake, consisting of fourteen egg whites and beaten with a wire whip, was placed in a cold oven which was set at 275 degrees. At 5:15 the cake was removed from the oven.

Mrs. R. E. Gill explained how she had prepared a chocolate cake which she had brought to the meeting.

Mrs. Ralph Forrester gave an interesting report of the meeting of the delegates on work simplification in Miss Patterson's office.

A "go as you are" party will meet with Mrs. Robbins some time in March.

The next regular meeting will be with Mrs. Pennie Cox, at which time there will be a demonstration on serving baked products from the locker. Miss Patterson and Mrs. Cunningham will have charge of the program.

Home made ice cream was served by the hostess with her angel food cake and Mrs. Gill's chocolate cake to Mrs. Jessie Reid, Mrs. Fred Sorgee, Mrs. Forrester, Mrs. W .I. Wester, Mrs. W. H. Sparks, Mrs. W. T. Davis, Mrs. R. W. Waldrop, Mrs. Gill, Mrs. Cox ,Mrs. Robbins, Mrs. Wright, Mrs. C. W. Dunn, Mrs. De Graffenreid, Mrs. Cunningham, Mrs. G. B. Combs, Mrs. G. B. Heath, Mrs. T. T. Fain, Mrs. E. C. Penick,, and a visitor, Mrs. Carr, a sister-in-law of Mrs. Gill.

### RALPH H.D. CLUB STUDIES CAKE MAKING AND ICING

The Ralph Home Demonstration Club held its regular meeting Wednesday, February 23, in the home of Mrs. Albert Byars with Mrs. Harold Byars as hostess.

After an exchange of recipes and an interesting cake making and icing demonstration by Mrs. L. S. Johnston, Mrs. Grady Persons and Mrs. Charlie Elkins refreshments were served to Mrs. Clarence Adcock, Mrs. Glenn Dowlen and Marie, Mrs. H. C. Hungate, Mrs. David Horn, Mrs. John Lill, Mrs. Sam Hill, Mrs. Roger Gist, Mrs. L. S. Johnston, Mrs. Persons, Mrs. Elkins, Mrs. Joe Cox, Mrs. Albert Byars and the hostess.

Mrs. Albert Byars joined the club.

## *4 Day Program Starts at Baptist Student Union*

The Baptist Student Union on the West Texas State College campus will present a four-day program of study and discussion in the field of vocational guidance beginning today. Two outstanding Texas laymen, W. F. Howard, head of the Department of Baptist Student Work in Texas, and Dr. T. B. Maston, head of the Department of Social Ethics at Southwestern Seminary in Fort Worth, will head the program.

Howard will conduct the first general meeting Thursday night, March 3 at 8 o'clock at the Baptist Student Center. He will discuss the Christian approach to a life vocation. He will also conduct the morning watch Friday. Friday night he will head a forum of out-of-town guests.

Saturday morning Dr. Matson will have the morning watch. Highlight of the meeting will be the Saturday night session at the Baptist Church. Dr. Maston will answer questions and informally discuss different phases of moral and social relationships. A social will follow. He will also speak Sunday at both the morning and evening church services.

A young Chinese student was living in a boarding house which was anything but clean. In view of the dirty premises he was greatly surprised one day to find a card tacked on the front door by his landlady.

"Clean Your Feet," it said in big letters.

The Chinese took a pencil and on the same card, immediately underneath, he wrote, "Before Going Out."

HIGHER PRODUCTION AND BETTER LIVING come with ELECTRICITY

WHEN ELECTRICITY comes to the farm, it comes to aid both production and living.

Some wires lead to the work areas, where refrigeration, lighting, and power for tools and work saving devices are needed.

Another line comes to the home, bringing good lighting, entertainment, and electricity for cooking, washing, refrigerating, ironing, and a score of other tasks.

On other farms and ranches, where electricity is already available, more and more is being used constantly as folks discover that electricity can bring so many benefits at a surprisingly low cost.

## W. T. Band on Spring Tour

Forty-five members of the West Texas State College Buffalo Band left today to make the annual concert tour through the Panhandle from March 3 through March 9. M. J. Newman is the band director.

Proceeds from the concerts in those schools where admission is charged, will be kept by the school for their own use. The band will be housed and fed by the towns where they give concerts. Due to the small auditoriums where the Buffalo Band will perform, they will be able to take only 45 of the best performers.

First concert outside of Canyon will be given in the Amarillo High School at 10:30 a.m. on March 3. A concert will follow that afternoon at 3 o'clock in the Hereford High School.

The band will swing out for its three-day tour on March 7 with an 11 a.m. concert in the Dalhart High School. They will play at Dumas High School at 3 the same afternoon and at Spearman at the high school at 8 p.m. March 8 the first concert will be at Phillips High School at 10:30 a.m. They will appear at Borger in the afternoon at an undetermined time and at Canadian High School at 8 p.m.

On March 9 the band will play at Shamrock High School at 11 a.m., at Wellington High School at 2:45 p.m. and at Memphis at 7:30 p.m.

"I am very happy," replied the spirit of Peter.

"Are you happier than you were on earth with me?"

"Yes, I am happier than I was on earth with you."

"Tell me, Peter, what is it like in heaven?" asked the woman.

"Heaven!" exclaimed Peter. "Who said I was in Heaven?"

## *Lock Cars or Run The Risk of Theft Is Advice Given*

A drive is on in Texas to put a stop to car theft. Police officers over the state are alarmed that so many cars are left unlocked, and a large percent of car owners even leave their keys in their cars when parking.

Surveys have been made by police in larger cities, and it is found that about 50% of the parked cars are left unlocked, often with valuable packages in them.

Officers throughout the state are pleading with persons not to leave their cars standing on the streets, especially at night, unlocked.

## BABY BEEF

We supported our local livestock show and now have good home produced and home killed 4-H Club beef in our market for you to purchase at no increase in price. Why not enjoy a top cut of beef for Sunday dinner? We enjoyed taking part in our local show and hope it will be made an annual affair.
